There once was a camel with a runny nose
The camel got a tissue and blew his toes
A bird flew over and said, Oh my
The Camel got a tissue and blew his eye

Yuk, said the spider as it crawled near
The camel got a tissue and blew his ear
Oooo, said the snake that's not too neat
The camel got a tissue and blew his feet

Chorus

Oh said a rabbit starting to wail
The camel got a tissue and blew his tail
A lizard on the ground began to beg
The camel got a tissue and blew his leg

Chorus

Bridge

All of this time his nose was running
It drizzled down his lips onto his chin
It drip, drip dripped down on the sand
Started to spread out over the land

A girl appeared in a bright blue dress
Poor Mr. Camel you're really a mess
Standing on the tip of her toes
The girl held a tissue up to his nose.

Chorus

Just like that Mr. Camel Knew
Exactly what he was supposed to do
He took a breath and said here goes
(make blowing nose sounds)
And the camel blew his nose.

Chorus

Excuse me does anyone have some vitamin C
