Jenny has a dog and his name is Sam
Jenny has a dog and his name is Sam
Jenny has a dog and his name is Sam
And he sleeps at the bottom of the bed

Every night when they go to sleep
Every night when they go to sleep
There's a cat standing out on the street says
Meow Meow let me in

Meow meow let me in
Meow meow let me in
Meow meow let me in

(Spoken) Open the squeaky door
So Jenny let the cat in WOW!

Jenny has a dog and a cat
Jenny has a dog and a cat
Jenny has a dog and a cat
And they sleep at the bottom of the bed

Every night when they go to sleep
Every night when they go to sleep
There's a horse standing out on the street says
Neigh Neigh Let me in.

Neigh neigh let me in
Neigh neigh let me in
Neigh neigh let me in

(Spoken) Open the squeaky door
So Jenny let the horse in WOW!

Jenny has a dog and a cat and a horse
Jenny has a dog and a cat and a horse
Jenny has a dog and a cat and a horse
And they sleep at the bottom of the bed

Every night when they go to sleep

There's an elephant standing out on the street says
Rrrrrrrr rrrrrrrrr let me in

Rrrrrrrr rrrrrrrrr let me in

(Spoken) Open the squeaky door
So Jenny let the elephant in WOW!

There are too many animals sleeping there
So Jenny sleeps on the floor
