There once was a singing king  
Living by the Sea  
He'd sing all day he'd sing all night  
He'd even sing in his sleep  
He'd sing, la la la  
And he was a happy king  
Living by the Sea

Now the king loved a queen who played the flute  
Living by the sea  
She'd play the flute all day she'd play the flute all night  
She'd even play it in her sleep  
She'd play the flute toot toot toot  
And the king would sing la la la  
And they were a happy couple  
Living by the sea

Now the king and the queen had a prince who played the drums  
Living by the sea  
He'd play the drums all day he'd play the drums all night  
He'd even play them in his sleep  
He'd play the drums rum pa pum  
And the queen would play the flute toot toot toot  
And the king would sing la la la  
And they were a happy family  
Living by the sea

Now the king and the queen and the prince had a princess who was learning how to play the violin  
Living by the sea  
She'd play the violin all day she'd play the violin all night  
She'd even play it in her sleep  
She'd play the violin eee eee eee  
And the prince would play the drums rum pa pum  
And the queen would play the flute toot toot toot  
And the king would sing la la la  
And they were a happy family  
Living by the sea  
And they were a happy family oh  
Living by the sea
