I was in my room the other day
(Chhh chhhka chhh chhka chhh chhh chhh)
Thinkin' about chocolate cake
(Chhh chhhka chhh chhka chhh chhh chhh)
So I went to the bakery down the street
(Chhh chhhka chhh chhka chhh chhh chhh)
I said chocolate cake is what I need
(Chhh chhhka chhh chhka chhh chhh chhh)

With the chocolate cake on a paper plate
(Chhh chhhka chhh chhka chhh chhh chhh)
I sat right down ready to eat
(Chhh chhhka chhh chhka chhh chhh chhh)
When up jumped a mouse and took a bite
Squeak, squeak, CHOMP!
That mouse gave me a terrible fright

Chorus

Chocolate cake, chocolate cake
My favorite cake to eat
If I don't get my chocolate cake
I'm going to eat the street

One bite out of my chocolate cake
(Chhh chhhka chhh chhka chhh chhh chhh)
I sat down outside under a tree
(Chhh chhhka chhh chhka chhh chhh chhh)
But down flew a bird and took a bite
Tweet, tweet, CHOMP!
That bird gave me a terrible fright

Two bites out of my chocolate cake
(Chhh chhhka chhh chhka chhh chhh chhh)
I went to the park across the street
But out jumped a cat and took a bite
Meow, meow, CHOMP!
That cat gave me a terrible fright.

Chorus

Chocolate cake, chocolate cake
My favorite cake to eat
If I don't get my chocolate cake
I'm going to eat my feet

Three bites out of my chocolate cake
(Chhh chhhka chhh chhka chhh chhh chhh)
I said that's it I'm going home
But out jumped a dog and took a bite
Ruff, Ruff, CHOMP!
That dog gave me a terrible fright.

Four bites out of my chocolate cake
(Chhh chhhka chhh chhka chhh chhh chhh)
I ran and ran back to my house
But out jumped a lion and took a bite
Roar, roar, CHOMP!
That lion gave me a terrible fright

Chorus

Chocolate cake, chocolate cake
My favorite cake to eat
If I don't get my chocolate cake
I'm going to eat my sheets

That lion took the very last bite
I went up to my room and began to cry
My Mom said hey I'm glad you're not late
Guess what's for dessert tonight
