My name is Red Raincoat  
I love it when it rains  
That's when people put me on and I get to play  
They take me out and put me on ziiiiiiip  
We go outside  
Then the rain comes down  
Splashing and pouring all around  
I love the smell I love the sound  
Red Raincoat ziiiiiiip  
I love it when it rains.

### **CHORUS**

Rain rain don't be shy  
Come again tomorrow  
Rain rain don't be shy  
I love it when it rains
